

# ***Are you ready for a sustainable life in a rural Cooperative?***

- Imagine living on 5000 acres with 200 acres of fertile soils, lots of crystal clean water, amazing vistas & a 20 acre lake; 10 km SE of Mareeba, 1 hr from Cairns.
- We will live on and share this amazing property in a cooperative, sustainable, harmonious and joyful way.
- We will use & develop renewable energy, alternative technology, organic farming and aquaculture.
- Together we can create financial and food security, enhance environmental and personal awareness and create abundance without costing the earth.

***Interested?*** - go to [www.kanjini.org](http://www.kanjini.org)
